31st March 2018

To Mr. G Nagarajan
ArthaVidhya,
Bangalore

We are pleased to mention the ArthaVidhya course was very useful to the students in understanding the Finance & Accounting Processes / Documentation pertaining to the industry.

The concept of Virtual office gives students a good simulated real life work atmosphere.

We have seen a spurt in the placement of students of our college in large MNCs such as Accenture & McKenzie, in the shared services segment.

Out of about two hundred students who had taken the course, over seventy percent have been placed in large MNCs and the rest have got offers from other companies.

We would be happy to extend the course to all our students in the final year in years to come to ensure high level of campus placements.

Best Wishes
